

**INTERNATIONAL FOOD SCIENCE CENTER
FOOD SAFETY AND QUALITY POLICY**

Export Barbados (BIDC), through the International Food Science Center (IFSC), is committed to providing co-manufacturing facilities, food processing equipment, and services that consistently meet customer, statutory, regulatory, food safety, and quality requirements.

We are committed to:

- Producing safe, high-quality, healthy food products
- Applying risk-based thinking in all operations
- Maintaining effective GMP, HACCP, and Quality Management Systems
- Continually improving the effectiveness of our management systems
- Ensuring competence of personnel through appropriate training
- Strengthening stakeholder communication and collaboration

Top Management is committed to providing the resources necessary to achieve our food safety and quality objectives and to enhance customer satisfaction.
